

# PROGRAMME

Across St Anne's Open House  
14, 15, 16 June, 2024

## EXHIBITIONS

### Studio 55 Presents *Picture Atlas*

Picture Atlas features painting, printmaking, photography, and video artworks inspired by the unfinished research of German art historian Aby Warburg, known as the Bilderatlas Mnemosyne. The exhibition invites viewers to draw connections between original artworks and found images, creating our own interpretation of the Atlas.

### WORKSHOPS

Throughout the weekend, there will be free workshops, including collaging, collaborative animation, and more.

*See the timetable to find out what's on, and how to book.*

### LOST MEMORIES by Gary Thomas

A multi-screen video installation, drawing on the artist's experience of being a carer to his mother who had Alzheimer's Disease.

Mixing documentary phone footage with fictional sequences, Gary seeks to convey the texture of lives that revolve around the confusion of dementia and the demands of caring, as well as the moments of clarity and joy that frequently punctuate it.

### WORKSHOPS

There will be writing workshops happening across the weekend *to book visit the timetables.*

### TENANT SHOWCASE

St Anne's House is home to over 100 artists and makers, a select few tenants will be displaying works in the Top Floor Gallery for viewers to learn more about their work.

### Black Bark Films | Jo Barker and Holly Black

Step inside to watch 7 film pieces.
